Nunthorpe Methodist Church Fun Day

All Family Fun. Brass Band, Cakes - Fancy Dress

A Classic Summer Fete with cream teas!

HERE – 16th June from 2pm

MHA (elder care) Sunday : 10 June

Envelopes for your donations will be in the pews. I hope as many people as possible will support this Charity which has grown in so many dimensions since it started in London in 1943. Correct registrations are in place for Homes in the UK, meeting many different needs and diagnoses. An important breakthrough has been to develop high levels of dementia care. In 2009 the Music Project was launched enabling trained musicians to alert damaged senses, as in stroke and dementia, to the magic of music by listening and participating. Live at Home schemes are in place in many areas and much more. There is literature in the Foyer. Thank you. Helen Click. MHA representative.

Luncheon Club – Thursday 14th June: 12:30

Names to Doreen Osbourne & Helen Click to reserve a place, as soon as possible please.

Traidcraft.

On the stall today there are handmade cards from Bangladesh and some greetings cards with a religious theme. Have you seen the selection of fairly traded food and confectionery items? Your support helps to fight poverty through trade.

Church Garden.

We have started to tidy the garden at the back of Church ready for our Summer Fun event on 16th June.

I plan to spend a few more hours there next Wednesday morning from 9.30am(weather permitting) and would love to have some company please.

Christine Armstrong.

Garden waste

If you have room in your recycling container, please could you take some of the garden waste from Church.

Many thanks. Keith Armstrong."

Our annual church report

Thank you to everyone for your assistance in preparing this years report. It is an important work that tells of our achievements during the last 12 months of **our** church life. Our Thanks are especially given to Geoff Payne and the whole team as they compile the document for presentation at the annual church meeting 28th June. If you have not submitted a group report, please send it to the circuit office as soon as possible.
